## Order Responds to Katrina With Largest Disaster Effort Ever

9/2/2005

The Knights of Columbus Supreme Council has announced the largest disaster relief effort in its history. The Order has pledged a minimum of \$2.5 million in financial assistance and will match any funds beyond that donated to the Knights of Columbus Katrina Relief Fund over the next 60 days.

Of that money, \$250,000 will be immediately distributed to Catholic Charities in affected areas, and \$1.25 million will be used in the immediate future to assist those displaced and made indefinitely homeless. An additional \$1 million will be set aside and used to rebuild the estimated 130 Catholic schools destroyed or seriously damaged by the storm and its aftermath.

"We are asking all of our councils and assemblies in the United States and Canada to become active in this relief effort within 60 days either through cash donations or volunteer efforts," said Supreme Knight Carl A. Anderson. "We are also asking our members to support the collection appeal of the United States Council of Catholic Bishops, and are looking into the possibility of establishing a job bank for those displaced."

Many Knights of Columbus in local councils near the affected areas are volunteering their homes, council halls, and personal time and supplies to those affected. These efforts, local and national, will expand in the days ahead. Members of the Order in the United States and Canada, and the general public are asked to donate to this effort.

The Knights of Columbus has provided significant relief for other recent disasters, providing more than \$500,000 to victims of the Asian tsunami and \$1 million for families of victims of the Sept. 11, 2001, terrorist attacks.
